

Grade 2 Reading Comprehension Easy Worksheet Set 016

Grade 2 · Reading Comprehension · Easy

Name: _____ Date: _____

Read the passage carefully. Then answer all 6 questions using details from the text.

The Rooftop Weather Station

Ben visited the school's rooftop weather station with his teacher.

A wind vane pointed west during the morning check.

The rain gauge held three centimeters of water.

Ben read twenty-two degrees on the thermometer.

He entered all three observations on a tablet.

The class used his report during the afternoon weather announcement.

Questions

Return to the passage and write a short, text-based answer for each item.

1. Who went to the weather station with Ben?

2. Which direction did the wind vane point?

3. How much water was in the rain gauge?

4. What temperature did Ben read?

5. Where did Ben enter the observations?

6. When did the class use Ben's report?

Answer Key

Each answer below is supported by a sentence in the passage.

1. his teacher	2. west
3. three centimeters of water	4. twenty-two degrees
5. on a tablet	6. during the afternoon weather announcement
