### Publishing the School Newspaper

The third-grade newspaper team met every Tuesday in the media room.

Amir interviewed the cafeteria manager about a new vegetable garden.

Jules photographed students painting scenery for the spring play.

Rosa checked every article for names, dates, spelling, and punctuation.

The team arranged stories beneath clear headlines on four digital pages.

Their teacher printed one sample copy so everyone could inspect the layout.

After two corrections, the final newspaper was ready on Thursday afternoon.

Students delivered copies to classrooms and left extras in the front office.
